## The University of Aizu

### Top Global University in Japan for Computer Science Education

The University of Aizu was established in 1993 as the first university in Japan solely dedicated to **Computer Science and Engineering**. We foster ICT experts through content-rich fundamental education, a comprehensive choice of areas to major in, and advanced teaching methods. We are proud of our outstanding faculty who are experts in their specialized fields. Approximately **40% of the faculty members are foreign national**, which creates a high-level global education and research environment.

## MR. Kundai Kwangwari

*Hie. I am Kundai. I am in The University of Aizu's ICT Global Program – 3rd year undergraduate.*

*I have found The University of Aizu to be a perfect fit in my search for strong diversity and quality education. The University has very supportive staff, collaborative student body and provides a comfortable, conducive learning environment.*

*Outside of school you get to enjoy snow sports, Japanese culture and a lot of other exciting activities.*

*We look forward to having you join us.*
