About us,

★ We are strong in the car engineering and mechanic field!

Atys is in partnership with 3 car engineering / mechanic schools. (ex. Nissan College)
Car engineering and mechanics are an attractive work field for international students.
Current employment rate is 100% with a 5 year work permit usually issued.

★ We have strong support for JLPT and EJU!!

The most important part for International students in Japan is JLPT and EJU.
Our lesson schedule consists of JLPT or EJU preparation for a half of all lessons.
We also provide 1 hour of extra classes on Mon, Wed and Fri free of charge!

★ Our tuition is very competitive!

Living cost in Utsunomiya is cheaper than other big cities like Tokyo.
Our dormitory fee is also affordable!

★ Support for your daily life in Japan as well as your part time job support!

Our cultural assistants are able to speak English, Chinese, Vietnamese, Spanish, and Italian. We also can support your part time job hunting!

★ We have a special program for Japanese Art University Preparation!

We are in partnership with a famous art university prep school.
In this program, you can intensively learn high level of Japanese and Art!
