- 2021 Currently, being the Chairman of AIIA Corporation

I am the Chairman of the school :Ishizawa Tomoko.Tokyo Ikuei Japanese School is one of the top of Educational Institutions in Japan for international students who are aspiring to study in Japan. The school was opened in 2010, and from 2014 the school has located in Shibuya - an information development area of Tokyo. Our school not only has veteran teachers who are passionately in guidance the students through their vast experience but also has numerous programs and various curriculum in memorizing fast and quickly about modern Japanese language . In addition, in order not to make many students who have just arrived in Japan feel to worry about the new life in Japan, we have staffs who can speak English, Chinese, Korean and Vietnamese to help the students problems about life in Japan and discuss many issues they are facing in here. The full supportive system has been lasting in our school so long, many graduated students from our school who were fully got Japanese skills then studied in high level institutions or working and all of them have got many great achievements.

AiiA Cooperation which I am managing is the parents organization of the school. AiiA Cooperation is a group business which mainly focus on Fashion and IT. The company started the business from Southeast Asia and continue to develop successful business to all countries around the world. As the President of the company, I set up the school for my dream as the first step to help people can work actively in international field. We are expecting to get ambitious and challenge people to come here to study.

Principal

NOZOMU FUJIWARA

- 1987 Graduated from Rikkyo University, the Faculty of Economy
- 1987 Joined Hagishima Syouji Co.Ltd. (Presently, AIIA Corporation)
- 2010 Be in charge of Japanese School (member of AIIA Corporation)
- 2016 Principal of Tokyo Ikuei Japanese School

Tokyo Ikuei Japanese School has had many students come and graduated from our school during this period. They had worked hard on getting Japanese skills and left to move forward on their goals. Most of graduates are now belong to higher education institutions in Japan, while some others went back to their country and work in their country using Japanese skills.

Tokyo Ikuei Japanese School has goal to get multinational students from various countries. At this time, we have oversea students from 14 countries. Students from many countries can exchange their culture and customs to each other, we also create an environment where the students can communicate together in Japanese. In addition, we desire to expand Japanese education not only to international students but also foreigners living or working in the area of Japan.

We hope that many people from all over the world come to our school and study Japanese to make their dreams come true.
