

Brief Introduction of International Cooperative Education Programs at Nagaoka University of Technology

Department of Civil and Environmental Engineering
Head, Center of International Exchange and Education
Nagaoka University of Technology

Brief Introduction of Nagaoka University of Technology

NUT in a nutshell

- ✓ A brand-new breed of a technology university
(Established in 1976)
- ✓ 80% of students enrolled from technical colleges
- ✓ 30% of faculties have experiences in industrial fields.
- ✓ Integrated curriculum - unified courses from undergraduate to graduate

- ✓ Unique education systems
 - Long-term internship(4 - 5 months) at national/ international research institutes/ industries.
 - Twinning Program/ Double Degree Program with overseas universities
- ✓ International students : over 12%

□ Campus:

- ✓ Located in the hillside of Nagaoka City, Niigata Pref.
- ✓ 386,000m² with Academic/Research Facilities, Student dormitories, Outdoor Athletic Facilities, Administration bldg., staff house, etc.

□ Students:

School of Engineering	1,105
Graduate School of Engineering	
- Master's Program	862
- Doctoral Program	188
Total :	2,155

□ Faculties: 194

(As of July 2022)
